

REMARKS

Applicants request favorable reconsideration and allowance of the subject application in view of the preceding amendments and the following remarks.

Claims 1-15 and 56-95 are presented for consideration. Claims 1, 56, 65, 71, 76 and 81-95 are independent. Claims 56-95, which are based on cancelled claims 16-55, have been added to recite additional features of the subject invention. Support for these claims can be found in the original application, as filed. Therefore, no new matter has been added.

Claims 1-15 were previously allowed in this application. Applicants submit that claims 56-95 also should be deemed allowable because claim 1 is believed to be generic to all claims.

Applicants submit, therefore, that the instant application is in condition for allowance. Favorable reconsideration and an early Notice of Allowance are requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should be directed to our address listed below.

Respectfully submitted,
